“With a premium paid for refrigerated fish, I recouped my investment within the first year. Ever since then, it’s just been money in my pocket.”

—Joe Hinton, *F/V Menusa*

“I’m a believer—you win the prize. Your system has worked very, very well for me. It’s a superior product. The refrigeration system significantly increased my fishing time.”

—Tony Jones, *F/V Dreamboat Annie*

“It’s easy to install. The system can be retrofitted in an existing boat in about four days. It’s really compact and it makes refrigeration simple.”
